

Adriana had to run an errand but promised to join Gigi later in the day for tea. Gigi was wearing a red and green dress from Adriana's Holiday Collection. She sat down and ordered a pot of Earl Grey tea. Then, the food that came with the tea arrived. There were tiny sandwiches, scones, and sweets on a three-tiered tray. Three other women sat at the table with Gigi, and she enjoyed discussing the best places to shop in New York and fashions while she enjoyed afternoon tea.
